### 'DELAY DECISION-MAKING'

# Big firms ask markets regulator to reverse related-party rule

**DHWANI PANDYA** February 21

**COMPANIES WANT INDIA'S** capital market regulator to change proposed rules on transactions between group firms, founders and related entities as they will lead to an increase in compliance costs and delay decision-making.

Engineering major Larsen & Toubro and lobby groups including the Confederation of Indian Industry want the Securities and Exchange Board of India (Sebi) to scrap the shareholder mandatory approval for deals beyond ₹1,000 crore (\$134 million). Instead, the existing rule of 10% of annual turnover should prevail even after the new rules kick in on April 1.

Late last year, Sebi tightened rules on related-party transac-

tions to curb siphoning of funds by founders and ensure better corporate governance. These transactions are essentially conducted between a listed company and its founders, entities related to the owners or with large shareholders.

"The recent proposals announced by Sebi makes compliance quite tedious and complicated particularly

mentation from April 2022.

■ They want instead

■ Late last year, Sebi tightened rules on related-party transactions to curb siphoning of funds by founders and ensure better corporate governance

> "While Sebi norms on related party transactions intend to set a higher governance bar for listed companies to predominantly limit cash stripping and to ensure fraud and siphoning of funds can be reduced, it comes with its own practical challenges, especially for large conglomerates," said Gaurav Mistry, associate partner at DSK Legal. —BLOOMBERG

## Colliers expects more REITs in India as peers combat pandemic

**BLOOMBERG** Mumbai, February 21

**COLLIERS INTERNATIONAL GROUP** expects more real estate investment trusts (REITs) to be formed in India's nascent market following the robust performance of their listed peers in the country.

"We expect a lot more REITs to happen over the next one year given that all REITs have done well in spite of uncertainties," Ramesh Nair, chief executive officer for the property consultancy firm's Indian operations, said in an interview with Bloomberg Television. "Going forward, there would also be industrial and retail REITs, while office REITs will continue."

Three REITs, which mainly hold commercial office assets. have listed on India's stock exchanges so far. Embassy Office Parks REIT, Mindspace Business Parks and Brookfield India Real Estate Trust have risen more than 15% over the past year, collecting more than

■ However, this is nearly 30% below pre-pandemic levels in 2019

95% of rents from tenants even as a lethal pandemic wave gripped the country last year.

Still, recovery in the leasing of office space has been slow. Overall space leased out for offices across the top six Indian cities was around 33 million square feet, 10% higher compared with 2020, but nearly 30% below prepandemic levels in 2019. Nair

20-

expects the Indian office market to take two years to recover completely. India's industrial and warehousing property market has staged a quicker recovery, with the space leased out reaching pre-covid levels, Nair said. Demand will continue to rise as India has one of the fastest growinge-commerce and third-party logistics market.

### Will deposit ₹600 crore for DAMEPL in escrow a/c in two days: **DMRC to HC**

**FE BUREAU** New Delhi, February 21

**DELHI METRO RAIL** Corporation (DMRC) on Monday told the Delhi High Court that it will deposit ₹600 crore in the escrow account of Reliance Infrastructure arm Delhi Airport Metro Express within two days even as the latter sought enforcement of the arbitration award of over ₹7,000 crore, including interest, that it had won in May 2017.

Justice Suresh Kumar Kait reserved its judgment on a petition by DAMEPL seeking enforcement of the arbitraenforceable tion award against DMRC.

Even the Supreme Court had on September 9 upheld the ₹4,600-crore arbitration award in favour of Anil Ambani's group firm.

However, both sides have differed on how much additional interest has accrued on the amount. While DMRC says the liability now stands at around ₹5,000 crore, the RInfra arm says it is close to ₹7,000 crore now and increasing each passing day.

During the hearing on Monday, the HC observed that if government declined to follow the arbitrator's order, the award may just become a "paper award".

The judge also said that a solution has to be found to deal with such situations when government finds unable to implement the rul-

While DMRC said that it has ₹6,208.03-crore funds lying in various banks, its senior counsel Prag Tripathi argued that that it cannot use whatever money is in its account to pay off the airport express operator, as the grants received from the Consolidated Fund of India do not belong to it, and are earmarked for infrastructure development.

The money lying in its bank accounts is earmarked for various projects for metro development and the same did not belonged to it.

Besides, the corporation does not have any power to dispose of the same, he said, adding that out of the funds lying in its bank accounts, DMRC can only use ₹600

crore to pay DAMEPL. DAMEPL senior counsel Rakesh Khanna argued that DMRC was trying to draw a line between government funds and its own money, while being a company owned entirely between the Centre and the Delhi government.

Besides, the government grants can be used to fulfil legal obligations of a PSU, he

Earlier, the High Court had asked DMRC to furnish details of its bank accounts in India and abroad and how much money is lying in these bank accounts, even as DMRC cited financial inability to pay pending dues of over ₹6,000 crore to DAMEPL.

interest in the block. DD Fan-1) is the second well

computer systems and hightech software solutions," the official added.

He also countered an ongoing narrative that there was no loss to investors, saying the genuine investors were definitely on the losing side as this system was facilitating a select few to buy shares at a lower price and sell those at a higher price due to their faster access.

"The difference may be very small for one individual investor, possibly just one rupee or a few paise per share, but when you look at the huge amount of trades running into lakhs and crores every day, the overall gains for the selected brokers could have run into hundreds and thousands of crores of rupees over a period of few years," he added.

The issues under the scanner include possible pecuniary gains made by some top exchange officials and certain middlemen as also internal and external approvals for roll-out and operation of controversial 'co-location' and sophisticated algorithm-based 'high frequency trading'facilities.

The officials said the money trail at various levels, including to and from the concerned brokers' accounts, would be looked into, in addition to financial accounts of a large number of

discovery in Rajasthan block

Cairn Vedanta makes oil

The officials said the money trail at various levels, including to and from the concerned brokers' accounts, would be looked into, in addition to financial accounts of a large number of individuals who were directly or indirectly associated with the matter, especially between 2009 and 2016, from inside or outside the exchange

individuals who were directly or indirectly associated with the matter, especially between 2009 and 2016, from inside or outside the exchange. If required, help would be sought from foreign regulators and agencies, they added.

The National Stock Exchange, the country's largest bourse, is believed to have rolled out the co-location services in 2009-2010.

One major roadblock in the investigations so far has been a missing trove of e-mails and fresh attempts are being made to retrieve those as a large number of computer hardware, including laptops, used by some top officials were destroyed by the exchange long back as 'e-waste'.

The Securities and Exchange Board of India (Sebi) began its probe into the matter in early 2015 afterit was brought to light by a 'whistle-blower' that some brokers were allegedly getting preferential access through colocation facility, early login and 'dark fiber' — which can allow a trader a split-second faster acc-

ess to data feed of an exchange. NSE's co-location facility allowed brokers to take on rentspecific racks to co-locate their serves and systems within the exchange premises for a low latency connection to the

exchange. The servers and systems placed in these racks got to receive live market data feed and accordingly place their trade orders with access to features like direct market access, algo trading and smart order routing. Besides, the 'Tick-By-Tick' (TBT) data feed provided information on every change in the order book but this information was allegedly delivered one by one, unlike a broadcast where everyone gets the price information at the same time if they were at the same distance from the server.

Rather, the TBT data feed was disseminated sequentially in the sequence the brokers connected or logged in to the server. This allegedly created a ben-

efit to the first one to connect to the lowest-load server in terms of receiving the data faster than others.

It was also alleged that some brokers got to access back-up servers as the load on those servers was low while a few not only logged in first on select high-tech servers but also tried to crowd out others by occupying the second and third positions on those servers.

close the loopholes and to address concerns relating to algo trading and co-location facilities, including by making TBT feed free of cost to all trading members and asking exchanges to provide 'managed co-location service' through eligible vendors for ensuring lowcost services to all interested

Over the years, Sebi has put

in place stricter regulations to

It has also been alleged that some brokers colluded with NSE's employees and outsourced staff to obtain information regarding load and starting of servers, including backup servers. This enabled 'first-toconnect' brokers to get data ahead of others for three years between 2011 and 2014.

brokers.

Any person who has a claim in respect of the said Shares should lodge the same with the HDFC Bank Ltd at its Registered Office within 10 days from this date else the Bank will proceed to issue duplicate Certificate(s) to the aforesaid applicants without any further intimation.

## Normal monsoon this year: Skymet

Tenuous link betwen monsoon rainfall and

food grains output/agri GVA

**SANDIP DAS** New Delhi, February 21

THE SOUTHWEST MON-**SOON** (June-September), which accounts for 70% of the country's rainfall, will be 'normal'this year, private weather forecaster Skymet stated on Monday in its preliminary guidance; if this comes true, the country will have normal precipitation from the annual phenomenon for the fourth year in a row.

Though India's agriculture activities depend significantly on monsoon rainfall, increased irrigation facilities (45% of cultivable land is irrigated), improved farming practices and rising crop productivity seem to have made the link between the two rather tenuous in the recent years (see chart).

India's food grains output has risen from 297.5 million tonne (MT) in the 2019-20 (July-June) crop year to 316 MT in 2021-22 as per the second advance estimates released by the ministry of agriculture last week. Higher food grain output ensures adequate availability in the market and curbs the possibility of spike in prices of commodities. An increase in production doesn't necessarily result in higher income for farmers, given India's complex agriculture marketing system. Also, implementation of the government's support price mechanism is uneven across regions and crops.

The "agriculture and allied sectors", which employ more than half of India's workforce, are expected to witness a growth of 3.9% in 2021-22 in terms of gross value added (GVA). These sectors grew at 3.6% in 2020-21 even as Covid-19 severely impacted other economic activities. Agriculture GVA was 18.8% of India's GDP in 2021-22; the sector's share in GDP hovered around 18-20% in the last few India Meteorological Depa-

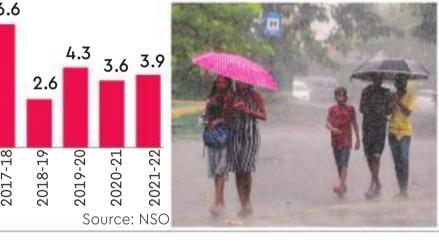

rtment (IMD), the official we-

ather forecaster, and Skymet will give its first monsoon forecasts for the current year in April. Later forecasts will be expressed as percentage of the benchmark long period average (LPA).

The indication of 'normal' monsoon rains by Skymet is expected to provide enough time for the farmers to prepare for Kharif crops such as paddy, pulses, oilseeds, etc, a senior official told *FE*. Skymet noted this could be one of the 'normal' monsoon years making a robust start and finishing around the midway mark of the normal range. A cumulative monsoon rain between 96- 104% of LPA (89 cm) is considered 'normal'.

While stating that the agriculture sector has been 'resilient' to the Covid-19 shock, the economic survey (2021-22) identified factors such as good monsoon and various government mea sures to enhance credit availability, improve investments, create market facilities, and promote infradevelopment structure which have helped the

# भारतीय नौसेना समुद्र का भारतीय नौसेना समुद्र की सुरक्षा कायम रखने में सफल: कोविंद

विशाखापत्तनम, २१ फरवरी (भाषा)।

राष्ट्रपति रामनाथ कोविंद ने सोमवार को कहा कि भारतीय नौसेना की निरंतर निगरानी, घटनाओं पर त्वरित प्रतिक्रिया और अथक प्रयास समुद्र की सुरक्षा को बनाए रखने में काफी सफल रहे हैं। उन्होंने कहा कि भारत महासागरों के सतत उपयोग के लिए सहयोगात्मक उपायों पर ध्यान केंद्रित करते हुए, इस क्षेत्र में सभी के लिए सुरक्षा और विकास में विश्वास करता है। बंगाल की खाडी में विशाखापत्तनम तट पर

'प्रेसिडेंट फ्लीट रिव्यू-2022' के दौरान नौसेना के बेड़े को संबोधित करते हुए, सशस्त्र बलों के सर्वोच्च कमांडर ने कहा कि जहाजों, विमानों और पनड्बियों की उत्कृष्ट परेड ने राष्ट्र की समुद्री सेवाओं की पेशेवर क्षमता और दृढ़ संकल्प को प्रदर्शित किया है। परेड ने किसी भी आकस्मिक घटना के लिए भारतीय नौसेना की तैयारियों को भी प्रदर्शित किया। कोविंद ने कहा कि वैश्विक व्यापार की व्यापक गतिविधियां हिंद महासागर क्षेत्र से होकर गुजरती हैं। हमारे व्यापार और ऊर्जा जरूरतों का एक महत्त्वपूर्ण हिस्सा महासागरों के माध्यम से पूरा किया जाता है। इसलिए, समुद्रों की सुरक्षा एक महत्त्वपूर्ण आवश्यकता बनी हुई है। उन्होंने कहा कि सशस्त्र बलों के सर्वोच्च कमांडर के रूप में. यह मेरे लिए बेहद संतुष्टि का क्षण है। देश को

नौसेना के हमारे बहादुर कर्मियों पर गर्व है। उन्होंने कहा कि मुझे आज भारतीय नौसेना के जहाजों, पनडुब्बियों, विमानों और हमारी समुद्री शक्ति के अन्य घटकों की तैयारी की समीक्षा करने में खुशी हो रही है। भारतीय नौसेना तेजी से आत्मनिर्भर हो रही है और 'मेक इन इंडिया' पहल में सबसे आगे रही है।' राष्ट्रपति ने कहा कि देशभर के विभिन्न सार्वजनिक और निजी पोत कारखानों (शिपयार्ड) में निर्माणाधीन कई युद्धपोतों और पनडुब्बियों की लगभग 70 फीसद सामग्री स्वदेशी थी।

कोविंद ने कहा कि यह बहुत गर्व की बात है। कि भारत ने परमाणु पनडुब्बियों का निर्माण किया और जल्द ही हमारे पास स्वदेश निर्मित विमानवाहक पोत 'विक्रांत' सेवा में शामिल हो जाएगा। स्वदेशी नौसैनिक जहाज निर्माण क्षमताओं का विकास 'आत्मनिर्भर भारत' बनाने में एक प्रभावशाली योगदान है। कोविड-19 महामारी के दौरान नौसेना की भूमिका की सराहना करते हुए उन्होंने कहा कि इसने मित्र देशों को दवाओं की आपूर्ति के रूप में सहायता प्रदान की।

कोविंद ने कहा कि विशाखापत्तनम शहर ने 1971 के युद्ध के दौरान 'शानदार योगदान' दिया था। उन्होंने कहा कि मुझे तत्कालीन पूर्वी पाकिस्तान की नौसैनिक नाकेबंदी में पूर्वी नौसेना कमान की वीरतापूर्ण कार्रवाई और पाकिस्तान की पनडुब्बी 'गाजी' के डूबने की याद आती है।

मौलिक कर्तव्यों के पालन की जरूरत पर केंद्र और राज्यों से जवाब तलब

जनसता ब्यूरो नई दिल्ली, 21 फरवरी।

सुप्रीम कोर्ट ने नागरिकों के मौलिक कर्तव्यों का पालन सुनिश्चित कराने के निर्देश देने संबंधी जनहित याचिका पर केंद्र सरकार को नोटिस जारी किया है। न्यायमूर्ति संजय किशन कौल और न्यायमूर्ति एमएम सुंदरेश की पीठ ने दुर्गा दत्त की जनहित याचिका पर सुनवाई के बाद केंद्र और राज्यों से जवाब मांगा। जनहित याचिका में कहा गया है कि मौलिक अधिकारों के बारे में तो हर नागरिक बात करता है, लेकिन मौलिक कर्तव्यों के पालन पर सरकारें और नागरिक दोनों उदासीन हैं। सरकारों को इस बाबत कदम उठाते हुए नागरिकों को कर्तव्यों के प्रति संवेदनशील बनाना चाहिए।

पीठ ने केंद्र और सभी राज्यों से सोमवार को जानकारी मांगी कि उन्होंने इस बाबत अब तक क्या कदम उठाए हैं। याचिका में संविधान में निहित नागरिकों के मौलिक कर्तव्यों को लागू करने की मांग की गई है।

डोरंडा कोषागार गबन मामला

# लालू को पांच साल की कैद 60 लाख का जुमोना

रांची, 21 फरवरी (भाषा)।

चारा घोटाला के तहत डोरंडा कोषागार से 139.35 करोड़ रुपए के गबन के मामले में दोषी करार दिए गए राजद अध्यक्ष लालु प्रसाद को यहां की विशेष सीबीआइ अदालत ने सोमवार को पांच साल कैद और 60 लाख रुपए जुर्माने की सजा सुनाई। साथ ही अदालत ने अन्य अभियुक्तों को कैद के अलावा दो करोड़ रुपए तक जुर्माने की सजा सुनाई।

विशेष सीबीआइ अदालत ने पूर्व सांसद आरके राणा को भी मामले में पांच वर्ष कैद एवं 60 लाख रुपए जुर्माने की सजा सुनाई है। पशुपालन विभाग के तत्कालीन सचिव बेक जूलियस को चार वर्ष कैद और एक लाख रुपए जुर्माने की सजा सुनाई गई है। इससे पूर्व, चारा घोटाले के तहत डोरंडा कोषागार से 139.35 करोड़ रुपए के गबन के मामले में दोषी करार दिए गए लालु प्रसाद समेत 38 दोषियों की सजा पर अपराह्न बहस पूरी होने के बाद विशेष सीबीआइ अदालत ने फैसला दोपहर डेढ़ बजे तक के लिए सुरक्षित कर लिया था।

सीबीआइ के विशेष न्यायाधीश एसके शशि ने सजा पर दोपहर बारह बजे से करीब 40 मिनट तक इस मामले के पक्षकारों की दलीलें सुनीं। लालू के

अधिवक्ता देवर्षि मंडल ने बताया कि आज अदालत ने नरमी बरतते हुए तीन अभियुक्तों को तीन वर्ष कैद की सजा सुनाई और उन्हें सीबीआइ अदालत से आज ही जमानत मिल गई।

राजद के महासचिव एवं शीर्ष नेता अब्दुल बारी सिद्दीकी ने बताया कि लालू प्रसाद आज सुनाई गई सजा के खिलाफ उच्च न्यायालय का रुख करेंगे और उनकी जमानत की याचिका भी शीघ्र उच्च न्यायालय में दाखिल की जाएगी। इससे पूर्व, सजा पर बहस के दौरान लालू प्रसाद के अधिवक्ता देवर्षि मंडल ने अदालत में कहा कि उनके मुवक्किल की उम्र लगभग 75 वर्ष हो चुकी है और वह 17 विभिन्न तरह की बीमारियों से पीड़ित हैं जिसे ध्यान में रखते हुए, रहम दिल हो कर उन्हें सजा सुनाई जाए। इसी प्रकार अन्य कई अभियुक्तों की ओर से कहा गया कि इस मामले में 26 साल तक मुकदमा चला है जो अपने आप में एक सजा है, अतः उनकी बीमारी और उम्र के मद्देनजर अदालत रहम करते हुए कम से कम सजा सुनाए। केंद्रीय जांच ब्यूरो (सीबीआइ) की विशेष अंदालत के न्यायाधीश एसके शिश ने 15 फरवरी को लालू प्रसाद समेत 38 आरोपियों को इस मामले में दोषी करार देते हुए सजा पर सुनवाई के लिए 21 फरवरी की तारीख तय की थी।

## 'ओटीपी' भेजने में विफल छात्र को प्रवेश का लाभ देने से सुप्रीम कोर्ट का इनकार

जनसत्ता ब्यूरो नई दिल्ली, 21 फरवरी।

सुप्रीम कोर्ट ने वीरमाता जीजाबाई टेक्नोलाजिकल इंस्टीट्यूट, मुंबई में मैकेनिकल इंजीनियरिंग पाठ्यक्रम में दाखिला पाने में विफल होने से व्यथित छात्र की याचिका को खारिज कर दिया। न्यायमूर्ति धनंजय यशवंत चंद्रचुड़ और न्यायमूर्ति सूर्यकांत की पीठ ने सोमवार को कहा कि उक्त छात्र अपने प्रवेश की पृष्टि करने के लिए निर्धारित समय के भीतर 'वन टाइम पासवर्ड' (ओटीपी) अपलोड करने में विफल रहा था। प्रवेश पहले ही संपन्न हो चुके हैं। लिहाजा अनुच्छेद 32 के तहत अदालती हस्तक्षेप का कोई मामला नहीं बनता।

याचिकाकर्ता ने प्रिंस जसबीर सिंह बनाम भारत सरकार और अन्य मामले में सुप्रीम कोर्ट के सन 2021 के फैसले को आधार बनाया था। इस मामले में अदालत ने आइआइटी बंबई को एक दलित छात्र को

समायोजित करने का निर्देश दिया था, जो समय पर फीस जमा न कर पाने के कारण दाखिला नहीं ले पाया था। याचिका में कहा गया था कि इंजीनियरिंग या मेडिकल जैसे व्यावसायिक पाठ्यक्रमों के उम्मीदवारों के बीच यह एक आम बात है कि वे किसी ऐसे संस्थान में प्रवेश प्राप्त करें जो उन्हें अन्य परीक्षाओं के

माध्यम से सीट प्रदान करता है। याचिका के मुताबिक छात्र वांछित कालेजों को हासिल करके अपनी पसंद को 'अपग्रेड' करने का प्रयास करते हैं। राज्य द्वारा संचालित वीजेटीआइ जैसे संस्थानों में प्रदान की जाने वाली शिक्षा उच्च गुणवत्ता के साथ-साथ सस्ती भी है। इस प्रकार एक सामान्य प्रवृत्ति का पालन करते हुए याचिकाकर्ता ने निजी संस्थान को अपग्रेड करने के इरादे से एक सीट हासिल की। सीट हासिल करने में अपग्रेडेशन के बावजुद याचिकाकर्ता को प्रतिवादी नंबर तीन संस्थान में प्रवेश से वंचित कर दिया गया।

**PUBLIC NOTICE** Notice is hereby given that the Share Certificate(s) for the under mentioned securities of the HDFC Bank Ltd. have been lost and the holder of the said securities

जाति आधारित जनगणना पर जल्द सवदलाय बठक पटना, २१ फरवरी (भाषा)।

बिहार के मुख्यमंत्री नीतीश कमार ने जाति आधारित जनगणना से समाज के सभी वर्गी को लाभ होने की बात दोहराते हुए सोमवार को कहा कि राज्य में इस प्रक्रिया

को अंजाम देने के लिए वह जल्द

ही एक सर्वदलीय बैठक बुलाएंगे। मुख्यमंत्री सचिवालय परिसर में आयोजित जनता दरबार के बाद जातीय जनगणना को लेकर सर्वदलीय बैठक के बारे में पूछे जाने पर मुख्यमंत्री ने कहा, 'निश्चित रूप से हम राज्य सरकार Equity Shares has been determined taking into account the valuation report of a registered valuer की तरफ से इसे करना चाहते हैं।' उन्होंने कहा, 'इसका एलान करने से पहले हम चाहते हैं कि सभी लोग एक साथ बैठें ताकि सभी लोगों के विचार सामने आएं। इस संबंध में हमने पहले भी आपको

बताया है। इसको लेकर हम

सिक्रय हैं।' नीतीश ने कहा, 'संसद में पहली बार जब मैं गया था, उसी समय से हम इसके पक्षधर हैं। Priya Pandey
