Sub.: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir/Madam,

With reference to the captioned subject, we hereby inform you that, Servotech Power Systems Limited has entered into an agreement with Dubai based, Al-Ansari Motors LLC to provide electric vehicles charging solutions to the Middle Eastern and African markets.

The partnership aims to create an organised and integrated EV charging infrastructure in the Middle East and African region while also offering a firm path for future developments with cutting-edge technology and faster charging speeds.

We are enclosing herewith the copy of media coverage for your kind reference.

Please consider the aforesaid as relevant disclosure required pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Kindly take the above information on record and oblige.

Thanking You,

FOR SERVOTECH POWER SYSTEMS LIMITED

Servotech Power, Dubai's Al-Ansari Motors ink pact to install EV charging solutions

NewsDrum Desk
20 Feb 2023

New Delhi, Feb 20 (PTI) - Homegrown Servotech Power Systems Ltd (SPSL) has inked a pact with Dubai-based Al-Ansari Motors to provide electric vehicles charging solutions to the Middle Eastern and African markets. SPSL said in a statement on Monday.

Raman Bhatia, Founder and MD of SPSL said, the Middle East and Africa present a huge untapped market potential and a sea of potential electric vehicle users. Each charging point installed under the pact will be accessible to all electric four-wheelers.
